There is provision in the Budget for a Sanitary Inspr on Rs 60+20 and for another on 40+15.
The Municipality wish to utilize the latter provision, as well as the former.
Draft subd for sign

The Municipal Secretary says that being a Sub Asst Surgeon probably draws a little more than Rs 60+20 vide provision in the last Budget.
Perhaps the Secy to the Govt may, if he has not already done so, ask for the final information as to the position of the Municipality before the appointment of an Asst or Sub Asst Surgeon is sanctioned.

From

The President, Municipal Commission,

Bangalore City.

To

The Secretary to the Government of Mysore,

General and Revenue Departments,

Genl 62 of 96 SL 2

Bangalore.

Sir,

Thanks 11/15 part 12/

Adverting to para 14 of Government Proceedings No. 1923-28 dated 4th August 97 I have the honor to submit for the consideration of Government that the services of the existing Sanitary Inspector are necessary as an Assistant inasmuch as the present dimensions of the City including the extensions are very large and are too much for one official to manage efficiently. The requirements of the Conservancy Department are ever encre-

could have to be attended to promptly.
Prosecutions under Municipal
Regulations and Bye-laws are also
increasing and show a tendency
to increase and the care and at-
-tention of a separate official for
this work are absolutely necessary.
In these circumstances the Board
Considered it necessary to retain
the existing incumbent as an Assist-
-ant and as Prosecuting Inspector.
The necessary proposition Statement
has been submitted along with
other statements for increases
to the different departments of the
Municipality with this Office letter
No 104 dated 16th Nov/97.
I solicit the favor of early sanction.

I have the honor to be
Sir
Your most obt servant.
